Dear Dr. Lipner,

I thought it only fair that I send a brief note extolling the virtues of your office and your staff. Both Vicky and Lynn have been extremely pleasant, competent people to work with and my initial interview with you convinced me, I was at last in good "dental" hands. In this all too often slipshod world we live in, it's refreshing to find a team who knows what they're doing and who do it with grace and enthusiasm. Thanks for everything so far and I look forward to seeing you again for my next check-up.

Sincerely,

*Stanley*
