Dear Dr. Lipner, Vicki and Lynn,

I want to express my gratitude for the excellent service you three have given to me over the years.

Your professionalism and friendliness gave me complete peace concerning my dental health.

Your corner of the 17th floor is like a little oasis. Thank

you for your commitment to such high health standards, an aspect of your practice that keeps me recommending you so highly to others.

I wish you all the best.

Warmly,
Emilie
